Renovations

God is at work physically through the renovations taking place at the Kids' Ministry space at Crossroads and spiritually in the lives of the kids at Crossroads. I can not wait to hear the sounds of Bible teaching, small group discussions, and laughter pouring out of the classrooms! Each classroom will be perfectly sized to accommodate learning and fun. Please join me in praying that upon our return to worship together, God will flood our church with more children so that His name may be glorified.

I am looking forward to the new children's wing especially for the added security; it is crucial for parents to have peace of mind so they can focus on God & spend time in His presence. I can't wait to see my kids flourish in a clean & effective environment for discipleship & worship. Sunday mornings will be much more impactful for families with children because of this space's efficiency, wide hallways, and additional security! We can't wait to see it in person!

GIVING & ANNIE ARMSTRONG OFFERING

Annie Armstrong
Offering Goal:
\$5,000

Journeyman Church
Offering Goal:
\$1,000

During this time of not meeting together physically we still have ways for you to be obedient in your Tithes and Offerings. You can give online at our website, text to give, or give through the EasyTithe App. You can also simply mail in your check. ***It is important right now to remember our missionaries who are also facing uncertain times. We will support the Annie Armstrong offering and the Journeyman Church in Colorado as we have for the last several years.***

FROM THE PASTOR'S DESK

It has been a while since we sent out a Lifeline, but these types of communication are very important for us as a family, especially in these crazy days.

Well, we have heard from all heads of state and latest, our governor. We are making plans as tentative as possible and trying to put all ideas on the table as far as future gatherings and ministry activities are concerned. It seems that for the foreseeable near future, we will at best have limited opportunities for us to gather in a physical manner as a church. Your staff team has been working hard to make this time as ministry and mission focused as possible and I am hoping in the days ahead this can even be more true.

We will continue to gather online with our Sunday morning worship services, Wednesday nights with multiple age and gender options, a pastor's facebook live at 6:30pm on Wednesdays and many other zoom calls, video seminars, and online ministry. We will continue to have staff meetings online and the church building will continue to be closed to all on-campus activities. As we move forward as a community and state, we will notify you of appropriate changes.

I want to encourage you to continue to Give, Pray, and Shine The Light of Christ Jesus in and around our community. Give to the storehouse budget and other offering opportunities. Pray to The Father with all your heart, mind, soul, and strength and without ceasing! Shine The Light of Jesus Christ with everything you have and take opportunities to serve others even in the time of Safer at home. Work like it depends on you, and PRAY like it depends on God.

Pray for Governor Kay Ivey and President Donald Trump. Keep our community officials and all others making decisions for our country and world in your prayers, too. Pray for small business owners and the economy in general. Pray for members of Crossroads that might have lost jobs or have salaries reduced.

Whatever you do at this time, please continue to stay in God's Word and keep your eyes focused on Jesus!!! Thank you for the outpouring of love and support you have given your staff pastors as we try encourage and equip you to do the ministry of the Gospel of Jesus, now, in the midst of COVID-19, and in the days ahead as well.

Praying for you and love you all,

**DR. ROBERT
MULLINS**
Lead Pastor

A New Day

A NEW DAY is the name of our new giving campaign.

It will be for any and all improvements and renovations to our facility. That might include the new children's ministry wing, back hall project, upcoming capital campaign and any other financial needs to reach our ministry objective to Love God, Love People, and Make Disciples! Please give to **A New Day** fund as an offering unto The Lord. Make sure that you continue to give your tithes to the Storehouse fund and that A New Day is an above-the-tithe offering!

It is absolutely Incredible to see all the WONDERFUL things The Lord is doing at Crossroads!
